# Eco Club

A huge thank you to Mr & Mrs Doolan who have kindly helped with the support from Mr |Doolan's work– BASC, to get us our new shed. The children cannot wait to start using it!

We would also like to say a HUGE thank you to Harrison F and his Grandad for coming in to the school during the holidays and watering our plants! I think we need to put Harrison on the payroll! He always goes above and beyond for our school community! Thank You.

# Juniper Library Visit

Juniper class had a great time visting Bebington central library yesterday. The children took part in a Cushion Booster theatre production of Little Red Riding Hood - we has so much fun!

A special wildflower art exhibition celebrating Wirral Country Park's 50th anniversary has been created by schoolchildren from across the Borough

The project saw Wirral's Eco-Schools team and local artist Ling Warlow team up with children from 25 schools and community groups across Wirral to create hundreds of paper wildflowers during Wildflower Warrior workshops.

The programme also educated young people about why wildflowers are important to the environment.

As a result of their creative floral endeavours, everything from life-like delicate hedgerow flowers, to giant nettles and large scale replicas of foxgloves can be found at the park in June. \*
