Headteacher Message

Mrs J Jones

It was lovely to welcome our new starters to school this week and to welcome back our families. We welcome Miss Choy and Mr Thomason to our teaching team and Mrs Bushell, as one of our new Teaching

Assistants. Mrs McIvor has also joined our Office Team and she is present at the start of every day by the main gate to take any messages from parents.

The children all look very smart and we thank you for adhering to our School Uniform Policy. Please can I ask that items are clothing, especially coats, jumpers and cardigans are labelled please?

We look forward to welcoming you back into the school for future events. As you can see from the Planner sent out last week there are a number of events to look forward to this term.

From a Health and Safety perspective please can we kindly ask that pupils do not climb the pole at the front of school, run on the grass or play by staff cars. This is a safeguarding measure that we need your support in addressing.

Please could we ask for donations of cakes and biscuits on Thursday 29th September, to sell and raise funds for this charity event that has supported and helped so

many people within our school community. It will be an opportunity for the school community to come together in a relaxed manner. We will hosting a raffle, so if any parents/carers are in a position to donate any prizes they would be warmly received.

Parent Meet and Greet—12th September 3:30pm-4:15pm

Please can I ask that parents/carers of pupils in Year 1 to Year 6 allow staff to disperse the children at the end of the school day safely.

Key Stage 1 (Year 1 and Year 2) parents/carers will enter at 3:30pm through the main school gate and Key Stage 1 side entrance.

Key Stage 2 (Year 3 to Year 6) parent/carers will enter at 3:30pm through the KS2 playground entrance and can walk up the stairs and slope to visit your child's class teacher. If you have a buggy or pram, please come to the main school gate.

We ask that on collection of your child, you move away from the main release points and wait at a place until the staff are ready to begin the Meet and Greet. This is to safeguard pupils being released safely. If you are not able to attend, your child will be given a paper copy of the information shared. It is not compulsory and at your discretion.

School Web-site re-launch end of September.

For your information, in the summer term we began correspondence to up-date and improve the navigation of our school web-site. Over the next few weeks this will be completed and hopefully parents will find it more accessible and concise in regards to information shared. School has updated images and worked in collaboration with a ICT company, Hi-Impact to design the web-site.
