## Headteacher Message

Mrs J Jones

It has been so lovely this week, seeing so many parents/carers joining us each morning to look at your child's work. The feedback has been very positive and we will be looking to introduce this on a regular basis.

The children have enjoyed sharing their work with family and staff members.

For future notice, school will not be facilitating any further sessions to watch the World Cup. This decision has been made as school cannot meet the different demands and viewpoints of the parents. It ensures a fair system and respects parent's views regarding where the competition is being held.

I would like to take this opportunity to wish Joseph, Max and Ben and their family all the very best, as they leave Church Drive on 2nd December, to start a new life in Canada.

Have a lovely weekend!

Mrs Joanna Jones

**THANK YOU ! - Harvest donations** have been greatly appreciated and received from people within our school community.

## CHURCH DRIVE BULLETIN

### School Up-date!

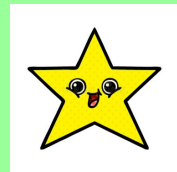

**Attendance**— I am delighted to report that in the past few weeks, school has had a positive feedback from different external parties. We had a Wirral Attendance review a few weeks ago, requested by the school. The visit was robust, addressing systems, talking to pupils and staff. I am delighted to share that the school has received a positive feedback report.

Our Attendance has improved greatly this term, with the exception of the school being hit over the last two weeks with the norovirus but hopefully we are over the worst now. Please can I remind parents that school gates close at 8:50am ready for registration. Thank you for your continued support regarding attendance, it is so vitally important that your child attends school. We understand as a school that illness occurs and we are delighted to be working in collaboration with individual families to put measures in place to support our families.

**SEND & SAFEGUARDING reviews**—Over the past two weeks we can report positive feedback from external reviews in both of these areas. We currently have the highest number of pupils in school on the SEND register (over 25%) and the review highlighted the strong practice being undertaken by the school to address pupil needs through internal provision and links with external agencies.

### Star of the Week Awards
