Dear Parents/Carers,

Attendance – focus on lateness

As a school, we have a number of families who are persistently late.

School gates are open for pupils to arrive between 8:40 and 8:50. Children arriving late miss out on vital learning and daily information, as well as causing disruption for the rest of the class. For a lot of children, this also causes feelings of embarrassment and gets the day off to a bad start. If a child is five minutes late each day, they will lose 16 hours and 15 minutes learning time over the year. Lateness also causes disruption to office and teaching staff who have to interrupt their work/teaching to deal with the arrival of your child.

So far this school year we have registered 1,310 late minutes across the school. Persistent lateness is treated as non-attendance by the Local Authority and families whose children are persistently late could be called into school to attend a meeting with the Local Authority Attendance Officer.

As a reminder:

School gates open in the morning for whole school **8:40am until 8:50am**

Registration takes place at **8:55am**

FS1 afternoon session ends at **3:05pm**

FS2 and KS1 session ends at **3:15pm**

LKS2 session ends at **3:20pm**

UKS2 session ends at **3:20pm**

School has a staggered start and finish time to support parents collecting the children at the different locations around the school building.
