Dear Parents/Carers

Attendance update

Please can we remind parents/carers of the rules regarding vomiting and diarrhoea. Your child must remain absent from school until 48 hours after the last episode – this means that, for example, if your child vomits on Monday afternoon, they are unable to return to school until Thursday.

Please see details below from the NHS regarding the absence rules for various childhood illnesses:

Lateness

We still have a number of families who are persistently late.

So far this school year we have registered 4,541 late minutes across the school. Persistent lateness is treated as non-attendance by the Local Authority and families whose children are persistently late could be called into school to attend a meeting with the Local Authority Attendance Officer.

School gates are open for pupils to arrive between 8:40 and 8:50. Children arriving late miss out on vital learning and daily information, as well as causing disruption for the rest of the class. For a lot of children, this also causes feelings of embarrassment and gets the day off to a bad start. If a child is five minutes late each day, they will lose 16 hours and 15 minutes learning time over the year. Lateness also causes disruption to office and teaching staff who have to interrupt their work/teaching to deal with the arrival of your child.

As a reminder:

School gates open in the morning for whole school **8:40am until 8:50am**

Gates will be closed at 8:50 and not reopened. If you arrive after this time, you must enter via the School Office.
