

As athletes, we will take part in:

- health and fitness/core
- gymnastics
- games

As artists, we will develop skills in:

- exploring the purpose and effect of imagery.
- decision making in creative processes.
- drawn ideas through printmaking.
- testing and developing ideas.

As computer scientists, we will learn to understand:

- how to stay safe online
- what a search engine is and how to use it.
- that not everything online is true.
- how to search effectively.

As geographers, we will learn about:

- the location of the Alps.
- key physical and human characteristics of the Alps.
- tourism in the Alps.
- fieldwork in our local area.
- life in the Alps.

Year 5/6 Autumn Term

2023-24

Learning Overview

As historians, we will learn about:

- who the Mayan people were and when they lived.
- how the Maya settled in the rainforest.
- the similarities and differences between Maya and Anglo-Saxon homes.
- what the Maya believed.
- what the archaeological remains tell us about Maya cities.
- the decline of the Maya cities.

As musicians, we will learn about:

- Composition notation
- The blues

In French, we will read, write, and say words relating to:

- body parts.
- monster pets.

As scientists, we will learn:

- to describe the parts of an electric circuit.
- to explore voltage and its effect on an electrical circuit.
- to identify and correct problems in a circuit.
- to investigate what affects the output of a circuit.
- to apply knowledge of conductors and insulators.
- to understand how offspring vary and are not identical to their parents.
- about animal adaptations.
- about plant adaptations.

As learners of religion, we will consider:

- Islam: Beliefs and practices
- Christianity: Christmas beliefs

In PSHE, we will focus on:

- families and relationships.
- health and wellbeing.
