

Pupil Questionnaire – Feeling Safe 2022/23

An anonymous questionnaire was undertaken with pupils in relation to feeling safe in school. EYFS and KS1 responses were undertaken as a whole class.

Do you feel safe at school?

94 responses

- Yes all of the time
- Most of the time
- Sometimes
- Not very often
- Never

Do you feel safe when you are out in the community?

93 responses

- Yes all of the time
- Most of the time
- Sometimes
- Not very often
- Never

Do you think that we have 'respectful relationships' at school?

91 responses

We are encouraged to use good manners, say kind words, all the teachers are kind to the children, we are encouraged to make friends after falling out, make sure people are included in games, being honest, being kind to people who are struggling, help people when they fall over.

You let us speak our minds and communication

listening to others

with behaviour rules and pupil leaders

Help people when they need it.

What else could we do to ensure that everyone respects one another?

More behaviour ambassadors, friendship posters, more celebration assemblies, a different type of assembly - one that includes certificates for kindness and respect.

Do you know how to keep yourself safe online?

93 responses

If you have a problem, do you know who to talk to in school?

90 responses

Could we improve anything in school to make you feel safer?

No

not really

Less concrete, more soft surfaces on playground, caging around LKS2 football area, artificial grass on football pitch, when children are sad, call their parents so they can speak to them, anti-bullying posters, larger fencing around playground, softer equipment i.e. skipping ropes, footballs
